**Results so far from our [questionnaire](#) show that**

- about half of you are sending your children to after school clubs ,
- some free some paid, and
- most of you want them to access these clubs.

Our lovely graduate volunteer Conor, is working through your answers to see if any clubs are available, but he's very busy so if you haven't heard from us yet, feel free to look at the clubs below, and ask any questions at one of our [HUBs listed in our website What's On](#) .
